PRE-OFFSET NOTICE FOR BALANCED BOOK ADJUSTMENT

Dear Gentlemen,

The enclosed Statute Staple Security instruments are rendered to you for the purpose of balanced book adjustment as legal tender to lower and reduce the UNITED STATES national debt. The undersigned understands the complexity of following this procedure. The "Code" is effectively in place to save and protect the monetary system of this country. If and when non-accreditation occurs, the economy and monetary system of the country will certainly collapse. That is the complexity and importance of honoring this procedure.

USC TITLE 12, CHAPTER 2 – NATIONAL BANKS - Authorizes the procedure. If you don't understand this procedure please research the US Code, for clarity or seek competent legal counsel. You should understand that in Title 12 USC section 371b-2(c), the Code defines "Exposure" to include all extensions of credit regardless of name and description. This procedure is intended for all Americans. Non accreditation will result in a serious error and injury against the Internal Revenue Service, and the Principal Secured Party Creditor. This will cause a miscalculation upon the Federal Reserve Accountant Balanced Book, and will require a filing of the proper IRS forms for collection of these funds. This adjustment may be completed by MR. TIMOTHY F. GEITHNER, Secretary of the US Treasury, who is my legally appointed fiduciary agent, or my designee as Fiduciary on the attached IRS Form 56. Documentation is enclosed.

As you are well aware, lawful money no longer exists in our economic system. This was replaced by Federal Reserve "Notes", which are, in effect, promissory notes. This procedure to allow offset of debt is the proper legal remedy that has been provided for Americans to discharge debt, since the money was removed by the U. S. Corporate Government. This is a debt obligation of the United States. Please use this procedure to offset any bills that I present by balanced book adjustment, settlement in full, discharge of all presentments, and return all interest to the Principal. MR. TIMOTHY F. GEITHNER, or my designated Fiduciary Agent, is authorized to adjust, from this account, along with any reasonable and lawful interest, penalties, and extra fees, as needed, in order to satisfy this procedure. This may be ledgered against the Account Number indicated as best suits the needs of the US Treasury.

Sincerely,

Larry Ray Hall, Principal and Secured Party Creditor for LARRY RAY HALL, Debtor
